President's Message

Greetings Sisters,

Isn't spring all about fresh and new, and feeling energized, fun and playful? Everyone seems to be affected by spring fever, with a spring in their step, a smile on their face, and the urge to plant something, anything. In all things worthwhile, gardening is work, but there is joy in the process, as well as benefitting from the fruits of our labor. Yes, it can be sweaty and dirty, but at the end of the day it's oh so satisfying to look back at a garden well done.

Same is true of the commitment we give to Theta Lambda. We have opportunities to bloom where we are planted. Our Birthday Celebration 47 Years and Counting at Berryhill on Monday, April 20, is a must! Plan to come and enjoy the delicious fajita buffet and Sally Kubiak's own homemade carrot cake. Remember to bring your change (throw in some dollars) for Sister Jane's Kenya project and soda tabs for Ronald McDonald House. Keep collecting gently used purses and items to fill them for another assembly later. Very little effort is required to make a lasting impact.

Thanks to Carol TenBrook for the creative newsletters! We certainly enjoy the fruits of her labor each month. The artwork is fabulous and layout spectacular – a job well done.

The Delta Kappa Gamma Texas State Convention in San Antonio June 25-27 has speakers, sessions and opportunities to grow as a member and feel energized, as well as time for fun and laughter. If you attend you will not regret the time you spend. We put in the time, we reap the rewards, just like in the garden.

Happy Spring,

Nancy Dobbs

Meeting Highlights

Minutes for the March 16, 2015
Theta Lambda regular meeting
Submitted by **Michelle Glick**, secretary

On Monday March 16, 2015 members and guests of Theta Lambda gathered at Highlands Elementary for our monthly meeting. The meeting was called to order at 6:30 p.m. by Vice President, Stacie Frenchwood after a delicious meal provided by Robin DeLaRosa and Sandra McConnell.

Stacie thanked the hostesses and asked Carol TenBrook to deliver our inspiration. With a nod towards our meeting topic and St. Patrick's Day, Carol had us play a game naming various shades of green.

Old Business

Stacie reminded members that we are still collecting donations for Africa, Ronald McDonald House and Personality. We are also still taking orders for That's My Pan.

An announcement regarding the CTAUN Conference on April 11 was made.

The newest chapter of Delta Kappa Gamma, Nu Alpha Chapter was announced.

Stacie reminded us to attend the State conference on June 25-27.

Stacie Frenchwood then presented our program on True Colors. True Colors is a communication system based on the idea that everyone is driven by a personality trait (color) and you should strive to appeal to that "color" when communicating with that person.

Our annual birthday bash will be held at Berryhill on April 20.

With there being no further business to discuss, Stacie adjourned the meeting at 7:30 p.m.
